

CONCRETE DYE SYSTEM

- Deep penetrating colors
- Dries almost instantly, no rinsing required
- Can be applied as a solid color or with multiple colors
- For indoor application only

Concrete Solutions® Concrete Dye System offers a large selection of deep penetrating colors that produce stunning results.

Ideal for rejuvenating stamped concrete or to add color to plain concrete, the Concrete Dye System is designed for use with most Concrete Solutions overlay systems. Create a uniform look or apply multiple colors to simulate a mottled antique finish; the possibilities are limitless.
