

Color Flake & Quartz

The Color Flake and Quartz Systems offer a decorative yet durable finish designed to resist most chemicals and withstand steady foot traffic.

Both systems are used in a variety of residential and commercial applications including showrooms, warehouses, walkways, pool decks, bathrooms, garages and more.

Standard Color Flake sizes are 1/4". Custom colors and sizes are available upon request. With hundreds of solid and pre-blended flake and quartz colors available, the possibilities are endless.
